“High quality on-going skill advancement training improves the lives of union workers and their families!”

2018 PNCI ANNUAL INDUSTRY HONORS/OUTREACH EVENT
Apprentice Graduation up 100% Over 2017
PNCI Graduates 235 New Journey Level Workers

By Mike Hawes
Director

We had a great day honoring graduates of our Apprenticeship Program, Industry Partners, and JATCs, on Saturday, April 28. A total of 256 people were in attendance; we grew by 41% over last year. The ceremony was anchored by Local 1503 and the Union Contractors of the AGC, who made substantial donations to help us fund this amazing event.

This year’s donations were up by 53%, which helped offset the increase in cost due to the surge in participation. I would like to acknowledge two new sponsors for this year’s event, ATG and Bremik Construction. We had a total of 14 sponsors this year.

A special thanks to Ken Gemma, our Stanley Black & Decker rep, for donating speed squares and 25’ Stanley Fat Max tapes to our graduates. They also generously gave all of our “Apprentices of the Year” DeWalt worm drive saws.

I would also like to thank our vendors (see Page 5). Without your support, events like this are not possible. So, from all of us here at PNCI, we are extremely grateful, and we look forward to working with you in the future.

Noho’s Hawaiian food catered the event this year, and it was delicious. Noho pulled out all the stops for us to ensure our Ohana had an amazing day.

Our keynote speaker was Corporal Jed Morgan, Purple Heart Recipient, 1st battalion, 7th Marine Division. Jed and his family were the recipients of a new home in Medford, Oregon. The home was sponsored by the Jared Allen Wounded War-

SAFETY TIP

Workplace safety cannot exist on best practice guidelines and policies alone. A safe working environment is based on how well the people, in both management and on the job site, adhere to — and communicate about — safety standards.

...PNCI ANNUAL INDUSTRY HONORS/OUTREACH EVENT

(From Front Page)

riors Foundation, which teamed up with the Regional Council, contractors S&B James and Mid-Valley Construction, to build a new home for Jed and his family.

Jed, a double amputee, delivered an impressive keynote address to our new graduates. His message focused on the importance of perseverance, team work, and leadership development. We were extremely proud to have him and his wife join us on this special day.

Jed lost several Marine brothers he served with to suicide, so he started up his own foundation with the White Heart Foundation called the Guardian Project. The program takes veterans outdoors for whitewater rafting, rock climbing, fishing, etc. It’s designed to help with PTSD and mental trauma. Jed’s commitment is a testament to his character. We could not have had a better keynote speaker for the day.

In addition to our keynote speaker, we had two very special guests with a special message for our new apprentices. We were honored to have UBC Western District VP Phil Newkirk, and Pacific NW Regional Council of Carpenter EST Doug Tweedy in attendance. Doug presented the “Carpenter Apprentice of the Year Award” to his son John Tweedy. It is always a special moment when a son or daughter graduates from our program. This year we had three graduates who were recognized with their parents.

With the size of the event this year, we had to move from our traditional gathering place out to the shop floor. This brought forward some logistical challenges, but once again our staff stepped up to put on a great event, I would like to thank our staff and instructors here at

PNCI for their effort in preparing for this celebration. Congratulations to our new graduates on hitting a milestone in your careers. We are all so proud of you. Know you have a multitude of options for leadership training both on a local and national level. You have an incredible responsibility and opportunity to help shape the future of the UBC. I want to challenge all of you to become master mentors and trainers for the apprentices working alongside you. In contrast to your predecessors, many of you are going to be thrust into leadership roles earlier in your career.

I want to encourage you to have a growth mindset and commit to life-long learning. Remember, if you’re in need of training we are here for you. We are just a phone call away, or with a few clicks of the mouse, you can continue your educational journey here at PNCI.
