Pacific Northwest Carpenters
Institute

Supporting Carpenters and Industry Partners

2019 Industry Outreach Event

By Mike Hawes

We had a great day honoring the graduates of our Apprenticeship Program, Industry Partners, and JATCs, April 27. Colonel Leah R. Sundquist, U.S. Army retired, kicked off the event as the keynote speaker. There were close to 400 people in attendance.

We were honored to have Randy Thornhill, UBC Western District VP, give the new journey level carpenters a motivational speech. Evelyn Shapiro, Pacific NW Regional Council of Carpenter EST, presented the Carpenter Apprentice of the Year Awards to our Apprentices of the Year.

Congratulations to our new graduates on hitting a milestone in your career. We are all so proud of you. Know you have a multitude of options for leadership training both on a local and national level. You have an incredible responsibility and opportunity to help shape the future of the UBC. I want to challenge all of you to become master mentors and trainers for the apprentices working alongside you. In contrast to your predecessors, many of you are going to be thrust into leadership roles earlier in your career.

Remember, if you're in need of training PNCCI is here for you.

Record Breaking Event

- Almost 400 attendees <60% increase from last year
